1. The rules, the rules of the mighty, the causal factors of the controlling constrictors are now confused, becoming, and the consequences are calamitous, cataclysmic suffering for some, enjoyment of abundance for others—the root of Jesse coming forth, the stem of My seed now blossoms.
2. I am restricted no more and I restrict not My body from blossoming into all of Me. See Me in what I am saying. Hear Me in what I am saying. Grasp what I am offering you this day. My mighty many, please grasp Me. Grasp Me. Grasp Me and what I am and what I offer you this day to walk in, mightily in grace and glory, honor, and power, My authority only, Me.
3. I call now, I confirm the common man coming forth. "In that day"—today, now is, and in one day, mighty manys come forth. I speak often of one day, I speak often of "that day", I speak of My times and seasons and now My Issachar's arise to now banner, proclaim My season. Freedom is, freedom reigns, freedom I am. Unrestricted access to Me, to each other alike. Value systems of only Me.
4. Arise, come forth, and conquer the lowly-thought to arise their confidence, to arise them in Me, to arise in family, to arise in love with fathers and mothers, sisters and brothers, My heart, My love, My hand; stroking the hair and nurturing the body, My body, My body young now, knowing My love, knowing My intimacy, knowing My royalty and who they are, what they are, in the authority that they can walk, that they must walk in, that they must mandate among themselves to glorify Me.
5. My authority works not in timidity, cowering fear, afraid-ness permeating, destructively destroying innovative circuits that I have placed in you to fire and bring forth Me in flames of creativity.
6. Turbulent times enjoy, seeing My brandishing and how I form nations and fulfill My prophecies—My words coming forth through you now. I love you. Fear not any government, any man, the loss of your body or your life, as I am life, I am light, I am Me and you are Me, and I reign and we reign together.
7. Accept Me if you will, My body, bowed before you this day. I kneel and I cry. I cry in intercession. I cry in the streets. I call out to you night and day. I intercede for your presence in My presence. I intercede for your meekness. I intercede for your arrogance dissolved, for your limits upon Me are so limiting. Doctors, doctrines, dogmas, delineation's of only Me thought, are not Me.
8. I am freedom and I reign in fear not, I reign in freedom.
9. I reign in guilt and control not, I reign in freedom.
10. I reign in joy and laughter. I reign in freedom.

11. I reign in freedom, freedom, freedom and the freedom which you think you have had, freedom which you think you have enjoyed--you have yet to taste My freedom.
12. You, you, you who think you are so freedomized and have taught freedom, you, even you, yea, even you have yet to taste My freedom. Come forth and taste My freedom, taste My freedom, taste Me. Taste Me and come forth in My freedom and freedom purveyors be with no price, freely giving all that I am, all that you are.
13. Copyrights, copycats, none. I love you.
14. DNA of only Me, My uniqueness coming forth, fullness of power, might, grace and glory, My authority of only Me, given to Me, My body—thus you.
15. Can you see? Can you hear? Can you feel? Become Me and walk in My fullness, My glory this day. I thank you. I thank you. I thank you so much. I thank you so very much. I thank you for giving freedom, for eating freedom, for being freedom, for freedomizing My freedomizable who is everyone you see, every one you influence, and all that comes forth in the work of your hands, the words of your mouth. Let it all be Me. Be Me. Thank you. Thank you very much.
